Bradbury & Wilkinson Co.

Representative Vignette Sample Book.

- It is bound in leather and gilded. It has a propaganda specimen from B&W Co. It has 104 vignettes, one on each sheet with a protective paper. They are vignettes of world notes.
- We do not know of another book like it, in our search for information about this we only found some vignettes that have been sold individually.
- We believe that it is a unique specimen.
